Invitation to Participate in Bharat Tex 2027 | 17 to 20 February 2027 | New Delhi

Greetings from WOOLTEXPRO!

Dear Sir/Madam,

Wool Industry Export Promotion Council (WOOLTEXPRO) is pleased to invite its member-exporters to participate in **BHARAT TEX 2027**, a major global textile trade exhibition scheduled to be held from **17th to 20th February, 2027 at Bharat Mandapam, New Delhi, India**.

Supported by the **Ministry of Textiles, Government of India**, and organised by the **Bharat Tex Trade Federation (BTTF)**, Bharat Tex brings together stakeholders from across the global textile value chain on a common platform to showcase innovations, exchange knowledge, explore business opportunities and strengthen international trade relations.

For India's Textile industry, Bharat Tex 2027 presents a valuable opportunity to showcase the diversity, quality, craftsmanship and innovation of Indian woollen products to international buyers, sourcing professionals and industry stakeholders. Participation can help manufacturers and exporters generate business enquiries, launch new collections, understand global sourcing trends and build long-term export relationships.

KEY HIGHLIGHTS OF BHARAT TEX 2027

- **2,000+ Exhibitors**
- **7,000+ International Buyers**
- **35,000+ B2B Meetings**
- **145+ Countries Represented**
- **20+ Textile Product Showcases**
- **70+ Knowledge Sessions**

SECTORS AND PRODUCT CATEGORIES

Bharat Tex 2027 will showcase products across the textile value chain, providing opportunities for woollen manufacturers and exporters to participate under relevant categories.

Textile Raw Materials	Fibre and Yarns	Fabrics
Featuring exhibitors specializing in cotton, wool, silk, and other natural fibers, alongside synthetic and man-made fibers. This sector focuses on the essential raw materials that underpin textile production.	Highlighting a diverse selection of yarns, threads, and sewing materials, this sector showcases innovations in spinning, twisting, and blending, essential for textile manufacturing.	A broad array of fabrics, including woven, knitted and non-woven textiles, will be exhibited. This sector caters to a wide range of applications, from apparel to industrial uses.
Apparel and Fashion	**Fashion Accessories**	**Home Textiles**
This sector features clothing manufacturers and fashion brands including shawl and stoles showcasing their latest collections, offering insights into upcoming trends and innovations in the fashion industry.	This sector includes essential components such as buttons, zippers, labels, and other accessories, crucial for manufacturers looking to complete their product offerings.	Dedicated to textiles for home furnishings such as bed linens, towels, curtains, and upholstery, this sector is a key destination for exhibitors targeting the interior design and home decor markets.

These sectors together provide a comprehensive overview of the textile industry, offering both exhibitors and visitors a thorough insight into the market's current landscape and future direction.

The manufacturers and exporters are encouraged to showcase their finest products, innovative collections and value-added offerings at Bharat Tex 2027. Seize this opportunity to strengthen your international visibility, connect with prospective buyers and position Indian products in the global marketplace.
